

# ADA STEPS

## PRODUCT FEATURES

- 1. ALWAYS COMPLIANT** – completely ADA compliant with equal step riser heights and guardrails.
- 2. SLIP-RESISTANT DECKING** – our ADA compliant decking has a knurled surface for increased safety.
- 3. LOW MAINTENANCE** – our products do not require regular maintenance for weather protection while other materials do because the steps will never rust, warp, or rot.
- 4. QUICK INSTALLATION** – typically takes 1 hour to install an ADA step.
- 5. ADJUSTABLE PLATFORM LEGS** – the platform legs are adjustable, so they can be manipulated to meet your threshold if the ground is slightly uneven.
