

# GENERATOR STEPS

## PRODUCT FEATURES

- 1. OSHA COMPLIANT** – always keeps employees safe while accessing raised equipment or machinery.
- 2. NON-SLIP TREAD** – extruded or grip strut decking available to keep employees safe during inclement weather.
- 3. CUSTOM LAYOUTS** – our generator access solutions are custom-designed for your application whether you only have one generator or a field of generators; connect platforms together to form an entire elevated access system.
- 4. DURABLE** – our generator steps will never rust, warp, or rot which means the structural integrity will remain intact for longer.
