

# FIXED INDUSTRIAL STAIRS

## PRODUCT FEATURES

- 1. OSHA COMPLIANT** – always keeps employees safe while they are entering and exiting a multi-level inplant office or mezzanine.
- 2. NON-SLIP TREAD** – extruded or grip strut decking available to improve safety in the plant.
- 3. CUSTOM LAYOUTS** – our Fixed Industrial Stairways are custom-designed for your application whether you require a simple step riser or a system of stairs with elevated platforms with multiple exit and entry points.
- 4. DURABLE** – our Fixed Industrial Stairs will never rust, warp, or rot which means the structural integrity will remain intact for longer.
