

# OSHA STAIR TOWERS

## PRODUCT FEATURES

- 1. NEVER RUSTS, WARPS, ROTS** – aluminum will never rust which means it will have a cleaner appearance for longer.
- 2. LOW MAINTENANCE** – our aluminum does not require regular maintenance for weather protection while other materials do.
- 3. PROFESSIONAL INSTALLATION** – to make sure your project goes smoothly, we offer installation by our professional installation crew.
- 4. ALWAYS COMPLIANT** – we design our product to meet all of the OSHA code requirements.
- 5. CUSTOMIZED LAYOUTS** - we manufacture each set of OSHA stair towers to meet the specific application, and we provide you with site-specific layout drawings.
